New Instrumental Publications

GUITAR

Salsa

14 pieces in Salsa style by Joep Wanders. You can play along with a Latin/Salsa orchestra using the CD, which has full performance plus play along tracks. All compositions can be played without the CD, as solo pieces. Standard notation only.

(Broekmans & van Poppel Book/CD #BVP1740) \$31.95

Memorias de España

17 Spanish Pieces (Grade 3/4) by Joep Wanders. Play along to the CD, with among others, the following pieces: Soleares, Bolero, Alegria, Pasodoble, Granadinas and many more... All compositions can be played without the CD as solo pieces. Standard notation only.

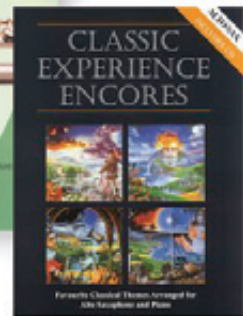

(Broekmans & van Poppel Book/CD #BVP1738) \$31.95

FLUTE

Complete Scales and Arpeggios for Flute

A comprehensive technique guide by Daniel G. Theaker. This book covers grades 1 – 6 and includes a flute fingering chart.

(Mayfair Music #MBF572) \$26.95

ALTO SAXOPHONE

Classic Experience Encores

Favourite Classical Themes arranged for Alto Saxophone and Piano by Jerry Lanning. The included CD provides a high quality recording of both a professional performance and separate piano accompaniment. Includes: Air on the G string (Bach); Nocturne (Borodin); Spring (Vivaldi) and many more.

(Cramer Book/CD #90675) \$35.95

JAZZ – BRASS & WOODWIND INSTRUMENTS

Know Before You Blow - Jazz Modes

Teaches why, when, what and how to incorporate modes into your jazz skill set. The series is the break-through approach to improvisation that has been missing and is now offered to all aspiring jazz musicians as an essential resource for improving their ability to improvise or simply play jazz. All seven modes are clearly defined, explained & notated on the text page which precedes each exercise.

(Santorella Publications). Score \$32.95 Instrumental Books \$25.95 each
